### This week's work:

There is no school on Wednesday due to the Teachers' Institute and no school Friday because that's the first day of summer vacation!

### Nightly Homework

MONDAY: Read 15-20 minutes.

TUESDAY: Read 15-20 minutes.

WEDNESDAY: Read 15-20 minutes.

### Parent Notes

Another year is coming to a close. It's hard to believe it's that time already. We will be cleaning desks and sending home belongings on Tuesday, so make sure your child has a bag.

I want to take this opportunity to let you know how much I've enjoyed working with my class this year. I know there have been times where things haven't always gone well in regards to behavior, but overall, this is a good group to work with!

Things will be changing up next year, so I will no longer have a classroom of my own. I will be working as a resource teacher for strictly 2<sup>nd</sup> grade students. So I'd like to wish good luck to those heading over to the junior high. As for the others, I'll be seeing you around the halls, unless you'll be in second grade. Then I'll be seeing you a lot. ☺

Thank you for all your support and cooperation!

Miss Hill
